UKATA Asbestos Awareness Category A

1/2 day
course

Multiple choice
paper assessment

Qualification Validity
12 Months

Course Overview

This is a Category A: Asbestos Awareness course, aimed at making the candidates aware of the dangers associated with exposure to airborne asbestos fibres through unknowingly coming into contact with asbestos materials.

If you work on buildings built or refurbished before the year 2000, asbestos could be present. You will need asbestos awareness training so you know how to avoid the risks.

Date: Monday 5th October 2020

Cost: £60 per person

Time: 9.30am—12.30pm

Contact: 02920 003132

Course Benefits

Asbestos Awareness training is a legal obligation for employers where there is a risk that employees may be in contact with the substance.

The number of deaths from Mesothelioma, an aggressive form of lung cancer attributed to asbestos exposure, rose to 2,535 in 2012, with Asbestosis though to have claimed 464 lives in the same year.

Course content:

1. What is asbestos?
2. Asbestos and its effects on health
3. Asbestos containing materials
4. Asbestos bans, laws, surveys and registers.
