

How ACE can help?

ACE/Dusty Forge - Update February 24th 2021

Whilst the Dusty Forge is currently shut for public use due to Covid restrictions, ACE is working towards re-opening to the public in the near future. Further details will be published in March. ACE has continued to refocus its resources (staff and volunteers) to offer as much support as we can for the local community. **If you or someone you know needs some support or just some friendly reassurance please get in touch, give us a call (02920 003132), email (info@aceplace.org) or message on Facebook.**

Community support and advice line (02920 003132): Staff are on hand to offer advice, guidance, and a friendly chat to anyone who needs it. Pre-booked telephone support sessions are available on Monday or Thursday mornings for foodbank assessments, benefits issues, energy advice and help with grants for household items. Sessions can be booked by calling our support and advice line.

ACE Your Local Pantry: ACE are running the Dusty Forge Pantry on Wednesdays and Thursdays. Members of the Pantry can access the Pantry shop at the Dusty Forge by appointment only. We are asking Pantry members to book appointments through our membership line (which has been sent to all members). We currently have a waiting list for Pantry membership, but please get in touch and we can give you information on this and other community food projects.
