

ace Volunteer Fund

ACE's heart is about working together in the community; encouraging people to use their skills, and resources, and helping to support opportunities that meet local needs and achieve lasting positive change.

Action in Caerau & Ely (ACE) is looking to share its success, knowledge and experience, by offering a small flexible fund to local voluntary organisations in the Caerau & Ely area.

ACE is offering this fund to voluntary community projects to **create, support, operate and flourish local initiatives.**

We aim to allocate funds to four different projects every six months that help fulfil this vision.

Every six months there will be three pots of £250 and one pot of £500. Funds can be used for start-up costs, running costs or one off event costs.

**The fund is open from: Mon 27th September.
The fund will close on: Sun 31st October.**

If you need further information and would like to chat about the fund, or would like to be sent an application form, please contact: tel: 029 2000 3132 or email: volunteering@aceplace.org or visit the ACE website, www.aceplace.org.
